RULES

All LYF games are governed by the National Federation of State High School Association (NFHS) rules, unless otherwise noted below.

DIVISIONS

The LYF League offers youth football at 6 different divisions based on skill level, age, and weight:

1. **A division (A)**: Full contact, ≤ 14 years old, no weight restrictions, NFHS rules, playoff-eligible
2. **B division (B)**: Full contact, ≤ 14 years old, unrestricted, NFHS rules, playoff-eligible
3. **C division (C)**: Full contact; ≤ 13 years old; ≤ 140 lbs unrestricted, > 140 lbs dot-restricted, modified rules, playoff-eligible
4. **D division (D)**: Full contact; ≤ 12 years old; ≤ 125 lbs unrestricted, > 125 lbs dot-restricted, modified rules, no playoffs
5. **Rookie division (R)**: Full contact; ≥ 8 , but ≤ 11 years old; ≥ 50 lbs, ≤ 110 lbs; modified rules, no win-loss standings, no playoffs
6. **Flex Football division (Flex)**: Limited contact; soft-shell helmets and shoulder pads; ≥ 6 , but ≤ 8 years old; modified rules, no win-loss standings, no playoffs

LEAGUE-WIDE AGE, GRADE, AND WEIGHT LIMITS

- **Age** – Players must be ≥ 6 years old as of October 15 of the current season. Players must be ≤ 14 years old as of October 15 of the current season.
- **Grade** – No 9th grade students (or older) are eligible to participate.
- **Weight** – See specific rules for C, D, and Rookie divisions. There are no maximum or minimum weight rules for A division players.

LEVEL/DIVISION OF PLAY WAIVER

Rules pertaining to which level/division of play (i.e., B, C, D, Rookie, or Flex) a participant is assigned by the Sponsor may be waived on a case-by-case basis. A revocable waiver will be granted by the LYF League at the request of the Sponsor based upon the overall ability of the player to compete at the level/division of play by rule. Prior to the first game, the LYF League will provide each Sponsor a list of all Sponsors' rosters for each team including player number, age, and weight. A Head Coach through the Sponsor Representative and Athletic Director may petition the League to revoke a player's waiver. A waiver may be revoked at any time.

Sponsors must report to the LYF League all players who fall into any of the following exceptions:

Weight Limits:

Players at C or D divisions who exceed the “play any position weight” will be designated by a single helmet dot. A dot-restriction is given if the player is over the weight limit for his assigned division, but the player’s age or ability is not sufficient to play at a higher division. See “Dotted Lineman Rule.” The LYF League does not endorse any type of weight loss or gain program.

Age Limits:

Players at C, D, Rookie, and Flex have specific age restrictions. Sponsors must indicate on their rosters at the preseason weigh-in if the Sponsor assigned a player to a division where the player is an allowed exception.

The LYF Executive Council has the obligation to move a waived player to a level/division of play that is appropriate for the player’s weight, age, and skill level. The LYF Executive Council is granted special permission by the LYF Board of Directors in unique situations to waive any level/division of play rules on a case-by-case basis.

PLAYER ELIGIBILITY - MISCONDUCT

If, prior to kick-off or first play of a game or during any game, any player is claimed as eligible for a game by any means not within the rules (for example, changing jersey number), that player shall be ineligible to play that day or for the remainder of the game. If the incident is discovered after the game has been completed, the team with the ineligible player shall forfeit the game and the player shall be suspended from the League for one week (i.e., will not play the following Sunday). The suspension is immediate. It is within the discretion of the LYF Executive Council that the player and all coaches involved may be expelled from the LYF League permanently.

REGISTRATION

- All registrations and team assignments must be processed, approved and assigned through the LYF League office prior to any equipment being issued.
- All registrations must be completed online through the League registration software.
- No player may participate without all of the following:
 - Street address of the player’s parent/legal guardian.
 - Payment of registration fee in full or, if eligible for scholarship, payment in the unsubsidized amount set by the Board.
 - Parent/guardian’s consent and release to play,
 - Attestation that the player meets LYF’s age requirements,
 - Attestation that the player had a physical within the prescribed timeframe.
 - Though not required at time of registration, the player’s family must provide the certified birth certificate and/or physical form upon request by the LYF League.
 - Players participating in another contact football program cannot play in the LYF League.

DISTRICTS

Districts are set by the LYF Board of Directors.

PLAYERS IN DISTRICT

Each player shall play for the team in which district he or she legally resides.

1. **Exception:** A player may play for a Sponsor other than the Sponsor in whose district the player legally resides under only the following situations:
 - a. If the player's parent coaches for an out-of-district Sponsor in the current year and that parent coached for that same out-of-district Sponsor the previous year, the player can play for that Sponsor in the current year.
 - b. If the player had not registered to play in LYF prior to the current year and the parent is an active coach for an out-of-district Sponsor in the current year, the player may play for that Sponsor in the current year.
 - c. If the player's parent served in an official administrative capacity for the out-of-district Sponsor the prior year and that parent serves in a substantive administrative capacity or as a coach in the current year, the player may play for that Sponsor in the current year.
 - d. A player may be allowed to play out of district if the Sponsor Representatives of the residing district and the requested district both approve the request. The request must then be approved by the LYF Commissioner so that the player can be properly assigned within the registration system. The LYF Executive Council will have final approval of all out-of-district players.

Definitions for these Exceptions are:

- Coach – The parent must have specific responsibilities for coaching at least one of the Sponsor's teams during practices and at games.
- Substantive administrative capacity – The parent must have served and/or is serving in one or more of the following functions for the Sponsor.
 - 1) League Director
 - 2) Athletic Director
 - 3) Equipment manager (1 per sponsor)
 - 4) Booster/apparel director (1 per sponsor)

REQUEST TO PLAY OUT OF DISTRICT:

- a. Any player requesting to play out of district who does not meet the qualifications of item 1. a-d, may request to play out of their home district by submitting the ***Request to Play Out of District*** form, located in the back of the LYF Handbook (page 76). This form should be submitted first to the home district Sponsor Representative/Athletic Director, and then they will forward it to the requested transfer district Sponsor Representative/Athletic Director.
- b. A request to play out of district will only be allowed with the approval of both home and requested district Sponsor Representative/Athletic Director. Final approval of the transfer will be made by the Lincoln Youth Football Executive Council. Each player will be allowed 1 transfer every 5 years. Each district will be allotted a maximum of 5 out of district players, who do not meet the

qualifications of the “Players in District” section number 1a-d. All requests to participate out of district must be fully completed, signed, and submitted to the League Commissioner no later than 5pm June 30th of each year. This rule will go into effect for all players who are registered for the 2022 season and beyond. All previous out of district exemptions will be honored based on the 2021 season weigh-in rosters only.

- c. The LYF Executive Council will meet to review out of district player requests between the 1-14 of May, June, and July only.

BOUNDARY VIOLATIONS

In the event that a player intentionally violates the rules of registration, so as to play for another Sponsor other than that to which he/she is assigned, the player will be barred from any involvement in LYF for the remainder of the season. Furthermore, should a Coach be involved in any player-district violation, the Coach will be dropped immediately from LYF and barred from any further involvement for the season.

PRACTICES

- Teams can conduct a maximum of 14 practices before the first game. A practice cannot exceed two hours. There will be no contact the first practice.
- After the first game a team may have six (6) total hours of practices and chalk talk/walk-thru. These practices and chalk talk cannot exceed two hours. The chalk talk will be conducted with no pads and no physical contact. If a practice starts and is cancelled, that practice time counts toward the six-hour limit.
- All practices will cease one-half hour before last light.
- A Coach must supervise all practices.
- There will be no Sunday practices.

COACHES, ATHLETIC DIRECTORS, SPONSOR REPS, AND VIDEO OPERATORS

Only participating coaches and players will be allowed on the team side of the field. A coach on the sideline must have his or her Sideline Pass displayed at all times to remain on the team side of the field. Other league coaches are not allowed on another team’s sideline. The Sponsor Representative or Athletic Director will be responsible for immediately correcting the situation. If no action is taken, LYF will remove the coaches from the Runza Sports Complex.

Each team currently participating on the field of play is allowed one video camera on the team side of the field. The camera person shall be allowed to video the game only from the scorer’s stand and will be issued a Sideline Pass by the respective team. An exception is made for the League-designated photographer to have total access to all areas of the complex.

PARTICIPATION

All players who attend practice regularly (excused absences are an exception) and actively participate with a proper attitude must play a minimum number of plays. The “A”

league minimum is 10 plays per game. The “B” and “C” league minimum is 12 plays per game. The “D” and “Rookie” league minimum is 14 plays per game. Plays are defined as offensive and defensive plays (special teams plays do not count). Interested persons are asked to report any violations of the minimums to LYF officials. LYF suggests that there be a designated “play counter” to track each player’s number of plays.

LINE-TO-GAIN CREW

Home teams are required to supply a line-to-gain crew (chain crew/gang). Chain crews will consist of 3 (three) individuals; one down-box operator and two stick operators. Chain crews will follow the direction of the Linesman/Down Judge during play. Chain crews need to report to their respective sideline 15 minutes prior to kickoff. Failing to provide a Line-to-Gain crew will result in an ILLEGAL PROCEDURE penalty for the HOME TEAM after the opening kickoff.

GAME BALL & BALL PERSON

Each team must supply their own game ball for games; K2/Pee Wee for Flex & Rookie divisions, TDJ for C & D divisions, TDY for A & B divisions. Ball must meet minimum standards for size, length and inflation. Teams must present their game ball/balls to the officials no later than the time of coin toss for inspection. Teams must also designate a responsible person to be the ball person for their team. It is this individuals sole duty to have your teams game ball ready for the officials upon any change of possession.

MOUTHGUARDS, MOUTHPIECES, and TEETH PROTECTORS

Mouthguards are required per NFHS rules, but are not provided by the LYF League.

ROSTERS

- A. Each team shall supply a typed roster to League Officials by the date specified on the League calendar. Requested waivers must be noted on the submitted roster. The roster shall be in numerical order, lowest number first. Once a player is listed on a given team’s roster, the player may move up in play without prior LYF approval, but not down in play without prior LYF approval. LYF reserves the right to move a player when the Executive Council deems necessary.
- B. Coaches & Administration:
 - a. By the date specified in the league calendar, all Sponsors must submit to the league the list of all coaches and administrative staff who would qualify as allowing his/her child to play out of district as described under a. and c. in the Exceptions subsection under PLAYERS IN DISTRICT.
- C. When a Sponsor submits its required team rosters in accordance with the league calendar, the Sponsor must include the names of all coaches for each of its teams plus include the names of all parents serving in a specific administrative function. A parent qualifying as a coach under b. in the Exceptions subsection under PLAYER IN DISTRICT must be specifically noted too.
- D. LYF will refer to the roster of coaches and administration on file for a Sponsor for the prior year in validating an exception granted under the Exceptions subsection under PLAYER IN DISTRICT.

NUMBERING OF PLAYERS

Players in the “A” and “B” leagues are required to wear jerseys numbered according to NFHS football rules. It is recommended that “C”, “D” and “Rookie” league players also be numbered according to NFHS rules whenever possible.

NFHS numbering rules: Numbers 1 through 49 are eligible receivers. Numbers 50 through 79 are linemen/ineligible receivers. Numbers 80 through 99 are eligible receivers. There is no declaring as an eligible receiver with an ineligible number.

WEIGH-INS

During weigh-ins, only one coach per team may be at the scales. Parents are not allowed within the weigh-in area. League scales will be used to determine each player’s official weight without exception. LYF officers will record each player’s weight, and that player will play accordingly until/unless a second weigh-in by LYF officers is performed at a later date, and the new weight changes the status of that player. Players exceeding LYF’s “play any position” weight will receive their helmet dot at weigh-ins.

PRE-SEASON WEIGH-IN

All Sponsors will weigh their C, D, and Rookie teams at the Runza Sports Complex at a scheduled time and date as set by the Board. Players will weigh-in wearing shorts, t-shirt, and socks (or equivalents). The LYF League will record each player’s weight. On that day sponsors must submit rosters for each level/division and indicate any exception for a player who is assigned to that level/division. This includes the exception status of any player who misses this date’s weigh-in.

GAME DAY TEAM CHECK-IN

All teams are required to check-in at the weigh-in room, with attendance, 30-60 minutes prior to kickoff. Should a team fail to check-in and play has commenced, that team’s head coach will be removed and suspended for the entirety of that game. Repeated offenses may result in multiple game suspensions for the head coach and athletic director.

Players who exceed the leagues “play any position” weight may re-weigh to remove the dot, if they meet the “play any position” weight.

DOTTED LINEMAN RULE

Specific weights for dotted linemen vary by division of League play. Refer to “Weight Limits” under “Additional League Rules” for each level/division of play. The dotted lineman positions shall consist of the following:

- Dotted linemen exceeding the “play any position” weight for that respective division of play, shall wear a helmet decal (dot) determined by the League. Any player or coach attempting to circumvent this rule by removing the decal shall be placed on a

1-week suspension (practices and game) and/or any other such action determined necessary by the League.

- Dotted linemen are required to play on the line of scrimmage.
- At no time may a dotted lineman be an eligible receiver for a pass or be allowed to carry the football. Anytime a dotted lineman gains possession of the ball (e.g., recover a fumble or muffed punt, intercepting a pass) the play is over and the ball is dead at the point of possession.
- A dotted lineman is permitted to kick extra points, field goals, and punt, but may not advance the ball passed the line of scrimmage. The penalty for advancing the ball passed the line of scrimmage will be **ILLEGAL PROCEDURE**.
- When a dotted lineman is not on the line of scrimmage at the snap of the ball, except as permitted as a kicker above, the offending team will be assessed an encroachment penalty.
- At no time may a dotted lineman play on kickoffs (kicking or receiving).
 - *Exception:* If a C-division team is unable to field 11-players during kickoffs or kick returns due to injury, illness, no-show, or similar circumstance, that team may supplement their kickoff or kick return teams with dotted linemen for the purpose of fielding 11 players. Under this exception, dotted linemen may not receive, or otherwise advance the ball.

GAME CLOCK

- A, B & C divisions will follow NFHS Rules
- For C, D and Rookie divisions, when a team is leading by 25 or more points in either half, the clock shall run continuously regardless of any event other than a time out called by the officials, a time out called by a team, an injury, or after any score. If the lead drops below 25 points, the clock shall return to its normal operation by LYF rules.
- For D and Rookie:
 - Quarters will be 10 minutes.
 - The clock runs continuously each quarter. It will stop to advance the first down markers and resume as soon as the markers are re-set. The clock will not stop for incomplete passes and running plays going out of bounds.
 - In the final two minutes of either half, the clock will run according to NFHS rules. The continuous clock rule by 25-point deficit is not changed by this two-minute rule.
 - Half-time is 5 minutes.
 - The D and Rookie divisions shall have 45 seconds between plays (with the clock running).
- Clock rules for the A, B, & C divisions:
 - Once the game starts, the clock will run according to NFHS rules, except quarters will be 8 minutes and half time will be 10 minutes (7-minute stoppage, 3-minute warm-up).
- Play Clock
 - A, B & C divisions will employ a 40-second play clock
 - D & Rookie divisions will employ a 45-second play clock

OVERTIME RULE

For D and Rookie, when games are tied after regulation play, the teams shall play a tie breaker. This will consist of each team being allowed only one 4-down possession from the 10-yard line. If after the first tie breaker the score is still tied, then the game ends and ruled a tie. Overtime shall be played at the following end of the fields (unless otherwise directed by a member of the Executive Council). D field at the south end zone, and Rookie field at the north end zone.

A, B, and C divisions will conduct overtime play as follows. All games will be played until a winner is determined. NFHS tie breaker rules apply. All overtime plays will be played at the south end zone of the A field, north end zone of the B field, and south end zone of the C field.

TIME KEEPING OFFICIAL

A member of the officiating crew will be assigned as the time keeper for each game at each division of play. This official will have officiating duties that include monitoring the conduct of Coaches and players on the sidelines. Violation of league rules or unsportsmanlike conduct by a Coach or player on the sideline may be flagged by the Time Keeping Official and will be administered as an unsportsmanlike conduct penalty.

LEAGUE STANDINGS and PLAYOFFS

Win-loss records and total points shall decide the standings for A, B, and C divisions as follows:

- Win = 1 Tie = .5 Loss = 0.
- A tie in the final standings will only be broken to determine the two teams for the playoff as follows. If more than one team is tied, the following is observed until one team “falls out” and the steps are started again for the remaining teams. When there are only two teams remaining after going through the following, those are the two teams that will play.
 - Winner of head-to-head comparison among all teams breaks the tie.
 - The lowest total defensive points allowed for games against the other team(s) remaining in the tie breaker.
 - The lowest total defensive points allowed for all games played that year.
 - Coin flip.

BALL SIZES

- TDY for A and B divisions
- TDJ for C, D,
- K2/Pee Wee for Rookie, and Flex divisions

UNSPORTSMANLIKE CONDUCT PENALTY - COACH

A coach penalized twice in the same game for unsportsmanlike conduct will be removed from the field and suspended from all coaching for the following week. The League will notify the penalized coach’s Sponsor Representative of the penalty. It will be the

Sponsor's obligation to enforce the penalty, including the week-long suspension of coaching practices and the next game day.

ADDITIONAL "B" RULES

- **Kickoff Out-of-Bounds Penalty:** For a kickoff that goes out-of-bounds, the ball shall be placed on the 35-yard line.

ADDITIONAL "C" RULES

- **Age Limits:** Players must be ≤ 13 years old as of October 15 of the current season.
- **Weight limits:**
 - All weigh-ins are performed wearing shorts, t-shirt, and socks (or equivalents).
 - All players weighing 140 pounds or less may play any position.
 - All players weighing 141 pounds or more may play as a dotted lineman in accordance with the "Dotted Lineman Rule."
 - No player that is 13 years old (as of October 15 of the current season) weighing more than 199 lbs can play at the C division.
- **First Downs:** Except for "first and goal" situations, the yardage necessary for a first down will be 8 yards instead of 10.
- **Kickoff Out-of-Bounds Penalty:** For a kickoff that goes out-of-bounds, the ball shall be placed on the 24-yard line.
- **PAT or Field Goals:** Teams may kick a field goal or P.A.T. from a field goal block or off the ground, but at no time from a kick off tee.
- **Distance Penalties:** A 5-yard penalty will be 4 yards; a 10-yard penalty will be 8 yards; a 15-yard penalty will be 12 yards.

ADDITIONAL "D" RULES

- **First/Second Year Players:** The D division of play should be the first or second year of play in the LYF League. Third- or fourth-year players that participate at the D division must be granted a waiver by the LYF League.
- **Age Limits:** Players must be ≤ 12 years old as of October 15 of the current season.
- **Weight Limits:**
 - All weigh-ins are performed wearing shorts, t-shirt, and socks (or equivalents).
 - All players weighing 125 pounds or less may play any position.
 - All players weighing 126 pounds or more may play only a dotted lineman position on both offense and defense.
 - No player that is 12 years old (as of October 15 of the current season) and weighing more than 135 lbs can play at the D division.
- **D Division goals:**
 - The basic idea of the D division of play is to make football a good experience and to teach the players the basic fundamentals of football without putting a lot of pressure on them. It will also provide a situation where each player should get more playing time and better instruction during the course of the game.

- The games will be played under a controlled scrimmage-type condition, with referees administering the game. Coaches will be allowed on the field during all games. Offensive and defensive coaches may be in the huddle with their players; however, coaches must stay back a minimum distance of 15 yards from the line of scrimmage and not interfere with the play at any time. Violation of these rules shall be a 4-yard illegal procedure penalty. With this direct, on-the-field contact, Coaches can help correct mistakes and do a more efficient job of teaching the basics to these young players.
- Referees are encouraged to explain to a player and/or Coach why or how a player was guilty of an infraction. Team Captains shall be the only ones on the field allowed to talk to the officials regarding calls. At no time is a Coach to interfere with the officials.
- **Kickoffs:** There will be no kickoffs. The ball shall be placed on the 20-yard line and play will commence from there.
- **First Downs:** Except for “first and goal” situations, the yardage necessary for a first down will be 8 yards instead of 10.
- **Field Goal and P.A.T. Attempts:**
 - The offensive team must declare to the Referee its intentions before attempting a PAT kick or field goal, and the Referee will notify the opposing team.
 - On all field goal attempts, including PAT, the ball will be re-spotted in the middle of the field.
 - No fake attempt shall be made.
 - Both teams line up normally but shall hold their positions at the snap until the ball has been kicked except for the snapper, holder and kicker.
 - If the snap does not reach the holder, the holder may get the ball and place it to be kicked.
 - Two points are scored for a successful PAT kick and one point for a successful run or pass.
- **Punt Following a Safety:** When a safety occurs the team giving up the safety shall punt the ball from its own 20-yard line. The “Punt” rule as described below shall be employed any time a team punts. After a safety, the kicking team may not recover the punted ball (unless first touched by the receiving team).
- **Punt:** A team may declare the intention to punt on any down. The offensive captain must declare a punt to the Referee. The Referee will then notify the opposing team that there will be a punt. The football must be punted after the punt has been declared. All players must hold their position until the ball has been punted – no jumping. No offensive or defensive player may cross the line of scrimmage until the ball has been punted. The defensive team must have 8 players within 7 yards of the line of scrimmage at the time the ball is punted. During all punt attempts, the ball must be centered/snapped to the punter by the center from his normal center stance. If the ball does not reach the punter, the punter may get the ball then return to his normal punting position and punt the ball.
- **Penalties:** All 5-yard penalties are 4 yards. All 10-yard penalties are 8 yards. All 15-yard penalties are 12 yards.

- **Blitz Rule:** Defensive teams are allowed no more than 6 defensive linemen on any play. Players lined up on in a defensive end position may play from either a standing, 3-point or 4-point stance.
- **Defensive Linebacker and Secondary Rule:** All defensive players not in a defensive line position must be at least 5 yards off the line of scrimmage at the snap of the ball. When the offensive team's line of scrimmage is at or inside the opponent's 10-yard line, that depth becomes 3 yards off the line of scrimmage. When the offensive center "sets" or places his hand on the ball, no defensive player may move off or toward the line of scrimmage. If a player encroaches into this area, the offending team will be assessed an Encroachment penalty of 4 yards.
- **Coaches on the Field:** Coaches are allowed on the field for all games. Each team may have two coaches on the field at all times, both offensively and defensively. In the first two games of the season, all coaches (both offensive and defensive) must stop coaching when the offensive line becomes set. For all games thereafter, all coaches on the field must stop coaching once the offensive team breaks their huddle. In addition, all coaches must stay back a minimum of 15 yards from the line of scrimmage and not interfere with the play at any time. Violation of this rule shall be a 4-yard illegal procedure penalty.
- **Game Schedule:** If the number of teams at this division allow, the League shall reserve the option to reschedule games after three weeks of play to better match the teams.
- **Overtime**
 - Games ending regulation play with a tie, will have one (1) overtime
 - Overtime play will be conducted on the north side of the field
 - Coin toss – Winning team get choice of offense or defense
 - Possession will start at the 8-yard line, with 1st & goal
 - Offense has four (4) downs to score, unless a penalty rewards a first down.
 - After team-A's offensive possession, team-B will have their offensive possession following the same structure
 - After both teams have completed one (1) offensive possession and the score remains tied, the game is over, no additional overtime play.
 - All turnovers are an immediate dead ball, with defense taking possession.

ADDITIONAL "ROOKIE" RULES

- **Won/Loss Standings:** There will be none.
- **Age Limits:** Players must be ≥ 8 years old, but ≤ 11 years old as of October 15 of the current season.
 - If a player is 8 years old as of October 15 of the current season, the player must weigh ≥ 50 lbs, but ≤ 110 lbs. The minimum weight of 50 lbs is consistent with the 5th – 10th percentile of weight-for-age for 9-year-old boys and girls published by the Centers for Disease Control (CDC, https://www.cdc.gov/growthcharts/clinical_charts.htm).

- If a player enters the Rookie division at age 8, that player will be allowed to play in the Rookie division the next consecutive year (at age 9), but not thereafter.
- **Weight Limits:**
 - All weigh-ins are performed wearing shorts, t-shirt, and socks (or equivalents).
 - Rookie players must be ≤ 110 lbs.
 - Rookie players weighing > 110 lbs, but ≤ 115 lbs at team weigh-ins prior to the first game of the season will have the choice to:
 - Play the first game of the season in the Rookie division, then move to the D division for the rest of the season;
 - or -
 - Not play over weight, stay in the Rookie division, and work on making weight throughout the season. Weigh-ins would be required weekly by the League at the Runza Sports Complex prior to each Rookie game to verify playing eligibility at ≤ 110 lbs.
 - This is a one-time choice and a player will not later be able to play one Sunday and then move to the D division of play.
 - No players will be allowed to play in the Rookie division weighing > 115 lbs at any time.
- **Rookie division goals:**
 - The goal is to make football a good experience and to teach the players the basic fundamentals of football without putting a lot of pressure on them. Each player in the Rookie division should get more playing time and better instruction during the course of a game.
 - Games will be played under a controlled scrimmage-like condition, with referees administering the game. Coaches will be allowed on the field during all games. Offensive and defensive coaches may be in the huddle with their players; however, coaches are obliged to be clear of the play area once the ball is snapped. With this direct, on-the-field contact, Coaches can help correct mistakes and be more efficient in teaching the basics to these young players.
 - There will be no won-loss standings kept at the Rookie division of play.
 - Referees are encouraged to explain to a player and/or Coach why or how a penalty was called. Team Captains shall be the only ones on the field allowed to talk to the officials regarding calls. At no time is a Coach to interfere with the officials.
- **First Experience Players:** The Rookie division is intended for first-year players. However, if a player enters the Rookie division at age 8, that player will be allowed to play in the Rookie division the next consecutive year (at age 9), but not thereafter. If a player enters his/her first season in the LYF League in the Rookie division at age 9, that player should play in the D division during his/her next consecutive season (at age 10). However, LEVEL/DIVISION OF PLAY WAIVERS may be considered on a case-by-case basis.
- **Kickoffs:** There will be no kickoffs. The ball shall be placed on the 20-yard line and play will commence from there.

- **First Downs:** Except for “first and goal” situations, the yardage necessary for a first down will be 8 yards instead of 10.
- **Field Goal and P.A.T. Attempts:**
 - The offensive team must declare to the Referee its intentions before attempting a PAT kick or field goal, and the Referee will notify the opposing team.
 - On all field goal attempts, including PAT, the ball will be re-spotted in the middle of the field.
 - No fake attempt shall be made.
 - Both teams line up normally but shall hold their positions at the snap until the ball has been kicked except for the snapper, holder and kicker.
 - If the snap does not reach the holder, the holder may get the ball and place it to be kicked.
 - Two points are scored for a successful PAT kick and one point for a successful run or pass.
- **Punt Following a Safety:** When a safety occurs the team giving up the safety shall punt the ball from its own 20-yard line. The “Punt” rule as described below shall be employed any time a team punts. After a safety, the kicking team may not recover the punted ball (unless first touched by the receiving team).
- **Punt:** A team may declare the intention to punt on any down. The offensive captain must declare a punt to the Referee. The Referee will then notify the opposing team that there will be a punt. The football must be punted after the punt has been declared. All players must hold their position until the ball has been punted – no jumping. No offensive or defensive player may cross the line of scrimmage until the ball has been punted. The defensive team must have 8 players within 7 yards of the line of scrimmage at the time the ball is punted. During all punt attempts, the ball must be centered/snapped to the punter by the center from his normal center stance. If the ball does not reach the punter, the punter may get the ball then return to his normal punting position and punt the ball.
- **Penalties:** All 5-yard penalties are 4 yards. All 10-yard penalties are 8 yards. All 15-yard penalties are 12 yards.
- **Blitz Rule:** Defensive teams are allowed no more than 6 defensive linemen on any play. Players lined up on in a defensive end position may play from either a standing, 3-point or 4-point stance.
- **Defensive Linebacker and Secondary Rule:** All defensive players not in a defensive line position must be at least 5 yards off the line of scrimmage at the snap of the ball. When the offensive team’s line of scrimmage is at or inside the opponent’s 10-yard line, that depth becomes 3 yards off the line of scrimmage. When the offensive center “sets” or places his hand on the ball, no defensive player may move off or toward the line of scrimmage. If a player encroaches into this area, the offending team will be assessed an encroachment penalty of 4 yards.
- **Coaches on the Field:** Coaches are allowed on the field for all games. Each team may have two coaches on the field at all times, both offensively and defensively. In the first two games of the season, all coaches (both offensive and defensive) must stop coaching when the offensive line becomes set. For all games thereafter, all coaches on the field must stop coaching once the offensive team breaks their

huddle. In addition, all coaches must stay back a minimum of 15 yards from the line of scrimmage and not interfere with the play at any time. Violation of this rule shall be a 4-yard illegal procedure penalty.

- **Overtime**
 - Games ending regulation play with a tie, will have one (1) overtime
 - Overtime play will be conducted on the north side of the field
 - Coin toss – Winning team get choice of offense or defense
 - Possession will start at the 8-yard line, with 1st & goal
 - Offense has four (4) downs to score, unless a penalty rewards a first down.
 - After team-A's offensive possession, team-B will have their offensive possession following the same structure
 - After both teams have completed one (1) offensive possession and the score remains tied, the game is over, no additional overtime play.
 - All turnovers are an immediate dead ball, with defense taking possession.

POLICIES

PURPOSE & PHILOSOPHY

LYF's basic purpose is to guide the character development of the participants within an atmosphere of strength, endurance, ability and motor skills through instruction in the basic fundamentals of football. All of these elements are generally considered basic to an individual's health and fitness. The program strives to foster friendships and achieve clean living both on and off the playing field.

To attain these objectives, it is the responsibility of a Head Coach and his staff to be competitive, stress enjoyment, strive to win, and improve the proficiency of the team throughout the season. The primary emphasis will be placed on the thorough and competent instruction of all players in football fundamentals as opposed to over-specialized techniques or styles of play.

The LYF League is designed to be competitive. Those players that participate diligently, are agreeable, and play to their fullest capacity will participate in each game regardless of his or her natural ability. Within the LYF League, winning will provide a measure of achievement and spirit of competition; however, this motive shall not override enjoyment, good sportsmanship, equal opportunity, and the mental and physical well-being of every player.

SPORTSMANSHIP

Lincoln Youth Football would like for everyone's top priority during the football season to be good sportsmanship. Those involved are Coaches, players, parents, fans, spectators, booster groups, media, referees, and/or LYF League officials.

Every person that enters the Runza Sports Complex is expected to conduct themselves with good behavior, demeanor, and sportsmanship. Spectators are encouraged to bring a positive attitude, and in turn, encourage the Coaches and players toward a fair and meaningful competition. Entrance into the Runza Sports Complex is a privilege; therefore, everyone is expected to display good sportsmanship. There will be no negative actions or remarks made toward players, Coaches, referees, LYF League staff, or LYF League officials. There will be no physical or verbal arguments among the parents, fans, or spectators or any other manner of disrespectful acts. The LYF League officials reserve the right to eject from the Runza Sports Complex any person failing to abide by this policy. The LYF League officials will determine at their discretion how long the ejection will last from the current Sunday to the remainder of the season or even a lifetime.

One of the most gratifying experiences for an LYF football Coach is to see a player that he has coached that continues to play the game of football at higher levels/divisions. Many LYF football players participate in high school, some participate at the college level, and a few go on to play professional football. Every coach feels that he made some small contribution toward the young player's development and ultimate success.

However, the majority of youth who participate in the LYF League do not go on to play any other organized football. Even though he/she may not continue in sports beyond the LYF League, there is much gratification in the following years to have such acquaintances, and more especially, to know that a player has matured into a good citizen. The part we play in these players' lives is perhaps their only contact with the principles of discipline, team spirit, self-control, winning, losing, personal pride, and individual accomplishment.

All of us know that young people learn by "example," but we must be reminded from time to time that our conduct and sportsmanship on the practice field and during the course of a game, more so than what we tell them, will likely be emulated by the players.

It is important for a Coach to teach every player to be disciplined (an essential element for success), have respect for themselves and others, and be willing to sacrifice. Like their Coach, the players should not be permitted to display any acts of disrespect for the decisions of any official during any contest, nor should they be permitted to argue with any game official. The only player permitted to talk to the game officials is the field captain. Like the Coaches, he/she should be taught to address the official respectfully (Mr., Ms., Sir, Ma'am, or Mr. or Ms. Referee). Coaches have an obligation to set the behavioral example, control their tempers, and not openly disagree with "bad calls" by the officials. This is part of the game, and the players should be taught this principle by our LYF League coaches.

All Coaches should conduct themselves responsibly at all times and strive to serve as an example of sportsmanship. Any differences of opinion should not be discussed in front of the players. The discussion needs to take place after the game or practice. Bad language and bad examples cannot be excused. Remember, the LYF League seeks volunteer coaches who are adults capable of supervising, coaching, and setting an example for the players. Volunteer coaches must be thoughtful and careful as to what kind of example they set.

All Coaches and players shall lead the way showing the "spirit" of Lincoln Youth Football. This is accomplished by showing mutual respect for fellow coaches and a total dedication to the LYF League. One temper flare-up or sharp remark can cause lasting damage to many individuals and is counter-productive to what the LYF League is all about.

COACHES and STAFF MEMBERS

The LYF League appreciates the volunteer efforts of all Coaches at all divisions of play. Players would not have this opportunity to play football without Coaches that love the game, possess the desire to get involved and give back to the community, sacrifice their time and energy, and be a part of each player's athletic and personal development.

BACKGROUND CHECKS

The LYF League mandates annual personal background checks on each Coach, Volunteer, and/or Employee associated with the League. The League reserves the right to choose the agency that provides the annual background check, and the expenses associated with each background check will be covered by the LYF League. The League also reserves the right to use the information obtained from a background check to allow or disallow any volunteer or paid involvement with the LYF League.

COACHING CERTIFICATIONS

The LYF League mandates annual coaching certifications for each Coach associated with the League. The League reserves the right to allow or disallow coaching certifications, if valid, outside of those previously approved by the LYF League. Proof of a valid coaching certification must be provided for approval by League officials. Only the expenses associated with coaching certifications provided by the previously-approved vendor will be covered by the LYF League. Instructions for obtaining the previously-approved coaching certification will be provided by the League.

Recommendations Related to Injuries

On the occasion of an injury, the LYF League recommends the following steps:

- Stay calm at all times;
- Do not move the injured player or body part until you are sure that this is proper treatment;
- In the case of an unconscious participant, make sure the airway is open. Normal breathing is always a number one checkpoint;
- On all sprains, strains and contusions, remember the acronym "ICE". "I" for ice, "C" for compression, and "E" for elevation;
- Notify the parent/guardian of the injury;
- No injured participant should be sent home and be without supervision;
- When in doubt, sit them out;
- In the event of a suspected concussion, contact the LOC representative immediately for the concussion protocol.

When in doubt as to the seriousness of an injury, activate 911 emergency response. A coach should accompany any seriously injured participant to the hospital. The Head Coach should immediately notify a parent/guardian of a serious injury.

It is recommended that you never give any internal medicines, not even aspirin, to an injured player. Any drugs, over-the-counter or otherwise, might disguise or hide vital symptoms from the physician.

Recommendations for Minimizing and/or Responding to Injuries During Practice:

The LYF League has adopted the USA Football recommendations for youth football "...to establish consistent methods designed to limit the chance for injury during structured practice sessions." *National Practice Guidelines for Youth Tackle Football*, USA Football, p. 1.

GAME DAY FIRST AID and INJURY RESPONSE

The Lincoln Orthopedic Center (LOC) and/or LYF League Officials have complete jurisdiction on game days. Coaches are required to assist the LOC and LYF League Officials as directed, including the removal and supervision of all players to the sidelines and to locate the injured player's parents or guardians.

INJURED ATHLETE RETURN TO ACTIVITY POLICY

The Lincoln Orthopedic Center (LOC) has complete jurisdiction over an athlete's return to play protocol. Athletes, parents and coaches are required to notify LOC of player injuries, with district personnel and LYF Officials yielding to the recommendations, limitations and/or restrictions of the athlete set forth by LOC, up to and including the athlete's removal from competition/play. Athletes who have not received clearance from LOC to return to play, will be held out of physical activity until such clearance has been granted by LOC. Clearance from non-Lincoln Orthopedic Center medical professionals will not be accepted.

INSURANCE

Coverage:

According to League and our group insurance requirements, all participating members must be medically insured. The League group insurance coverage provides that if the injured party has other insurance coverage, that coverage would apply as primary to the claim and the League's coverage would pay the excess after the primary insurance has paid.

Please note before filing a claim, the injury must go through the family's insurance first. The medical policy below picks up on a secondary basis with a \$250 deductible after the primary is exhausted. If the family does not have insurance then the medical policy will act as the primary with \$250 deductible.

Filing a Claim:

1. Section A completed by league president
2. Section B completed by parent/guardian
3. Claim form signed and dated by league commissioner.
4. Claim form submitted to AIG by league commissioner.

Claims Reporting Process:

- Accident Medical Claims (PARTICIPANTS ONLY)
- Please note on all Participant Medical Claims that the parent's or guardian's insurance is the primary. If the participant does not have insurance then this League insurance is the primary.
- Please complete the AIG CLAIM FORM (PARTICIPANTS ONLY) at the end of this handbook. After the form is completed you need to notify and send the claim form to AIG.

The following applies to all coaching staffs:

- Each coach is expected to read and understand all stated rules in this handbook. Any questions should be directed to the league commissioner.
- All football personnel and coaches will abide by the Flex Football Coaches Code of Conduct or your organization's Code of Conduct. Any violation of these rules can result in possible expulsion from your coaching privileges.
- If any coach deliberately and flagrantly violates these rules, the league may suspend the coach without prior notice.
- The game officials are empowered to eject any coach or parent from a game if that coach or parent is acting unsportsmanlike, using foul language or is causing a disruption to the game. Swearing at a game official because you do not agree with a call is not acceptable and will not be permitted.
- Have on hand a roster at each game

Coaches on the Field

- A maximum of 2 coaches per team can be on the field on both sides of the ball.
- Unless helping a younger, inexperienced athlete into proper position, these coaches shall remain a minimum of 10 yards behind all participating players after approaching the line of scrimmage.
- Once the team has broken the huddle, coaches on the field cannot talk except to assist players getting into correct position. On-field coaches must be silent once the quarterback begins his cadence.
 - This rule does not apply to coaches on the sideline.

Down Marker

The following shall apply to down marker responsibilities:

- It is the responsibility of the home team to supply down marker volunteers, though volunteers can come from either side if necessary.
- At minimum, this duty must consist of one volunteer who places the first-down marker 10 yards ahead, as the line-to-gain and then marks the line of scrimmage with the down box.
- If not using chains, one cone will mark the 1st down and the other cone will mark the ball spot

Game Officials

- The NFHS rule serves as the foundation for all rules and penalties unless specified otherwise below.
- There will be a minimum of two (2) game officials provided per game.

- Game officials are instructed to identify to coaches the player who commits a penalty by name, number or position on the field.
- Game officials have the final say on-field for all matters and will apply all rules to maintain safety.
- The game officials are to be treated as professionals. If coaches have a concern with the conduct of any game official, notify the league president following the game.
- Game officials are expected to have the rule book in hand no later than two weeks before the start of the season and are expected to know its contents.
- Game officials are expected to have all necessary equipment, which includes a penalty flag, bean bag, whistle, stopwatch and notepad.
- The head game official is suggested to note each flagrant foul by a player's name or number for tracking records.
- The head game official also is suggested to write down and report any other pertinent information regarding a coach, player or parent of a team who has committed an infraction that infringes on the sanctity of the game.

Game Play

- There is no coin toss – The visiting team starts with possession in the 1st half. The home team starts with possession in the 2nd half.
- 20-minute halves. 5-minute halftime.
 - Running clock that only stops for injuries/player safety and timeouts within regular gameplay.
 - Dead balls that stop the clock within the final two minutes of the game are: incomplete passes, any play that ends out of bounds, scoring plays, change of possession, timeouts and extra point tries. The clock will also stop for all injury timeouts and official timeouts, restarting at the head officials ready to play signal.
- Each team is entitled to 1 one-minute timeout per half. The clock restarts on the snap following any team time out.
- A 30-second play clock is enforced with the play clock beginning following the spot of the ball and at the head game official's signal.
- If no scoreboard is present, the head game official – or a fellow official he designates during pregame – is the official timekeeper and scorekeeper.
- If a team is losing by 13 or more points within the final two minutes, the clock does not stop for any reason other than timeouts, injury timeouts and official timeouts. If the losing team scores to create a deficit of 12 or fewer, the two-minute time rules apply.
- The ball can move from hash to hash.
- There are no kickoffs. Play starts at the 40-yard line - game start, after scoring possessions and after turnovers.
- The direction of offensive play will go in one direction.

- If a ball is intercepted: the defender needs to only return the interception to the 40-yard line to be considered a Defensive touchdown.
- If playing with two separate games on one traditional field:
 - When both offenses are back-to back-within their respective field of play and player safety is a concern. The game official on one side can call an official time out to stop the clock and let the other game progress further down the field to allow for more space in case of a quarterback scramble.
- There are nine players on each side of the ball, including a center and two Tackles on offense.
- Unbalanced lines are not allowed. One Tackle must be on either side of the center.
- Five players are required on the line of scrimmage with either tight ends or split ends joining the three linemen on the line of scrimmage. Two players must be on the line on each side of the center.
- All players, except for the center, must be in a 2-point stance.
- The quarterback may take a direct snap from under center or in the pistol/shotgun position.

Substitutions and Injured Players

- Free substitutions are in effect at all times between plays.
- If the offense subs in, the defense must have a chance to sub before the snap is allowed.
 - If the official delays the snap to allow the defense time to match the substitution, the delay of game penalty shall not be called on the offense.
 - If, however, the official determines the offense is substituting late to run additional time off the clock, a delay of game penalty can be assessed.
- If an injured player remains down on the field, struggles to leave the field or needs assistance, the official will signal for the clock to stop. The play clock and game clock both restart upon the player leaving the field, the ball being set and both sides being ready to play.

Procedure for Injured Players

- If any game official stops play for an injured player or players to be checked/assisted, the injured player must leave the field for at least one play. A team may **not** “buy” a player back into the game through use of a time out.
- Head injuries
 - Any player who receives a head injury – whether a concussion, contusion, cut or other – during practice, pregame warm-ups or in-game is not allowed to return to play until cleared by a qualified medical professional.

Passing

- A forward pass that falls incomplete returns to the line of scrimmage.
- A lateral pass that is thrown behind or in front of the line of scrimmage and touches the ground is blown dead and returned to the spot where the ball touched the ground.
- A pass is determined to be forward or lateral based on the direction it travels, not by how it is delivered (i.e. overhand, underhand, side arm, etc.).
- The quarterback may spike the ball to stop the clock within the final two minutes of the game, providing all offensive players are set. The two minute clock rules still apply. If players are not set, an illegal procedure penalty is enforced and the clock restarts on setting the ball.

Receiving

- Only eligible receivers and a quarterback who has first handed the ball off or thrown a legal lateral pass can be the initial receiver on a forward pass.
- Players must get one foot down in bounds for a completed pass.
- If an offensive and defensive player catch a ball simultaneously and forward progress is stopped, the ball is declared dead at that spot and awarded to the offense.
- The three players lined up at center and Tackle may not catch a forward pass unless it is first touched by an eligible receiver or defensive player. If an ineligible receiver does take possession of a forward pass or handoff – legal or illegal – the play is blown dead at that spot.

Blocking

- When engaging a block, the blocker must come to balance and all initial contact must be made with the hands.
- Lead blocking on all runs is allowed.
- Pulling offensive linemen is allowed, and all blocking rules apply.
- Landing on or piling on any player on the ground results in an unsportsmanlike conduct penalty.
- Blocking by initiating or leading with head, elbows, forearms, knees or shoulders – anything but the hands will result in a penalty.
- Blocking below the waist, cut blocks, clipping and any blindside crack-back blocks – by the offense or defense – are assessed appropriate penalties and may result in an automatic ejection, as determined by the game officials. A player who is blocked into a low block may continue to play in the game if the officials see extenuating circumstances.

Running

- The QB is allowed to run for a pass beyond the line of scrimmage after a pitch or hand off.
- Immediate QB sneaks in the A gap are not allowed.
- The QB is free to scramble at any position on the field as long as the QB gets outside of the tackle box.

Downing the Ball Carrier (Flag Play)

- A ball carrier is downed when one (1) flag has been removed from possessing players flag belt
 - Prior to gaining possession, should a players flag fall off during the normal course of play and that player than becomes the ball carrier, that player is down at the point where they gained possession.

Offensive Pre-Snap Alignment

- The offensive team must have five (5) players on the line of scrimmage at the time of the snap – three linemen and one eligible receiver on each side of the field aligned on the ball.
- Both Tackles must line up within both players outstretched arms' reach of the center.
- Eligible receivers can be tight or split at the coach's decision.
- Unbalanced offensive LINE (interior linemen) formations are NOT allowed
- All motion and shift rules apply as outlined in the NFHS rule books.

Defensive Pre-Snap Alignment

- The two defensive linemen must be aligned reasonably within the outstretched arms (to the side) of the furthest offensive lineman/tight end outside arm. For example, a defensive lineman can line up from the outside shoulder of the blocker but cannot unreasonably line up extremely wide. If the DE were to stand with arms outstretched like a "T" he should be able to touch the OLs shoulder if on the same horizontal plane.
- The defensive team must have two players on the line of scrimmage (the DEs)
- One DE must be on each side of the center.
- Defensive ends may NOT line up in the A-gap, they can align head-up on the attached lineman (not the center), and slant inside.
 - At no time is any portion of the Defensive ends body allowed to be inside of the Offensive lineman, prior to the snap of the ball
- The protected A gap zone: extending laterally from the Center to the Inside half of the Tackles and extending 4 yards directly in front of the center, no defensive player may align in this protected A gap zone.

- Additional defensive players may align outside of the defensive ends on the line of scrimmage, but cannot line up on the line of scrimmage in the A-gaps.
- Linebackers **MUST** align a minimum of 4 yards from the line of scrimmage (they can't align on the LOS) **unless the following occurs:**
 - Pressing an eligible receiver/TE close to or attached to the LOS. The LB/DB can still blitz from this "press" position. (Please see Blitzing)
 - If the ball is on or within 4 yards of the goal line, the LBs can be on the goal line and technically closer than 4 yards to the LOS.

First Downs

- The offense has (3) plays to reach a 10-yard first down by run, pass or penalty. If in the red zone the offense will have 4 downs to gain a 1st down (explained further in next section).
- On a series beginning from or inside the defensive 10-yard line, the offense can only achieve a first down through penalty.
- Any penalty that results in a first down starts a new set of downs with a new line to gain.

Fourth Downs

- The offense gets the use of a 4th down only when in the RED ZONE (20 yard line and in)
 - Outside of the red zone (21 yard line to the 40 yard line) the offense only gets 3 downs within a series.
 - The offense can still gain a 1st down within the red zone to start another series of 4 downs.
- If the series **STARTS WITHIN** the red zone, the offense will get all 4 downs to gain a 1st down regardless of if the offense gets backed up outside of the red zone.
- For a series **STARTING OUTSIDE** the red zone that results in a 4th down being spotted within the red zone, the offense will get to use that 4th down.
 - Additionally, for a series **STARTING OUTSIDE** the red zone – if a team visits the red zone in its 2nd or 3rd down and is subsequently backed up outside the red zone, then the offense will still be able to use the 4th down to either score or gain a 1st down or a 1st and goal. (upon gaining a 1st and goal after using a 4th down, the offense will still get use another 4th down)
- A turnover on downs will result the ball being placed at the 40 yard line.

The Red Zone Defined

- The 20 yard line **AND** in is the red zone

Touchdowns and Scores

- Extra point tries are attempted following all touchdowns with one (1) point from the 3-yard line and two (2) points from the 5-yard line.
- The clock continues to run during extra points unless the touchdown comes in the final two minutes of the game with teams within a 12-point margin.
- If a touchdown is scored as time runs out in the first or second half, the conversion will still take place as an untimed down.

Scoring Values

- Touchdown = 6 points
- PAT= game official will ask if the scoring team will go for 1 or 2 extra points
- In the event of a penalty on an extra point, the offense cannot change its decision to go for 1 point or 2.
- In the event of an interception or a fumble caught on the fly during a point-after try, the ball is blown dead.
- There is no return for 2 points.

Safety

- There are no safeties in the 1/2 field style of play

Ties / Overtime

- To determine which team starts on offense or defense, each team's head coach will play one round of rock/paper/scissors, with the winner determining how they would like to start overtime play.
- Coaches have the choice to go for 1 from the 3 yd. line or 2 from the 5 yd. line.
- Regular season overtime is limited to two rounds with each team having an opportunity to score.
- There are no time outs, and none carry over from regulation.
- The QB A-gap run rules apply
- The defense can return a turnover (turnover rules apply) for a touchdown (to the 40-yard line). However, if downed before scoring, the next series (if applicable) will begin as a normal OT series.
- For all overtimes beyond the first, teams simply alternate possession and remain on the same side of the field. (AB-BA)
- If there is still a tie at the end of the second round, the game will end in a tie. In postseason play, you repeat until a winner is determined

Rushing Rule

- There is no bull rushing. The blitzer/rusher must rush the inside or outside part of a blocker's body and is not allowed to rush through the centerline of the blocker.

- Blitzer/rusher cannot throw or purposefully push blocker into the ground or into the ball-carrier.

Blitzing

- Blitzing is defined as any predetermined penetration by a linebacker or defensive back. Blitzer/rusher must use hands and feet to defeat the block to either side of the blocker.
- The defense cannot blitz the A gap from the line of scrimmage.
 - Linebackers and defensive backs can blitz the A gap as long as they are a minimum of 4 yards behind the ball on the snap.
- All blitzing **MUST BE** from 4 yards in depth
 - Exception: While covering (pressing) an eligible player (WR,TE, RB), the LB/DB is allowed to align on the LOS and blitz from the LOS.
 - There is no “timing” up a blitz from 4 yards and hitting the LOS on the snap
- These rules are judgment calls by the game official.
- The blitz mercy rule will go into effect if a team is ahead by 21 points or more

Blitz Mercy Rule

- If a team is winning by 21 points or more, the “blitz mercy rule” goes into effect where the winning team can no longer blitz until the score is less than a 21 point spread.
- If a blitz occurs during the mercy rule period, the play is blown dead and the down is replayed.

Center

- The center must snap the ball between his/her legs.
- The center can double-team block alongside another player but must initiate block with hands, and all blocking rules apply.

Jumping

- Players may not jump or hurdle to avoid being downed.
- Players may not dive for the end zone or to gain additional yardage.
- Players may not attempt short yardage "over the pile" jumps. This is unnecessary roughness.
- Any player who jumps illegally and lands on another player will be flagged for unnecessary roughness.
- A player may dive in an attempt to catch a pass but is down upon reception.
- Quarterbacks can jump when throwing the ball.

Turnovers, Fumbles, Dead Balls and Interceptions

- All fumbles are considered dead balls as soon as the ball hits the ground
- Except for the following: “QB Scoop rule” – The QB has a chance to scoop the ball after a poor snap (rolled or hiked overhead) AS LONG AS there is no defensive player in the immediate vicinity as the QB is fielding the ball while staying up. This is a judgment call by the referee to maintain SAFETY and keep players from diving on a DEAD ball.
- A fumble recovered in the air prior to the ball touching the ground, may be advanced by either team.
- A player may not strip anyone of the ball. Anyone making intentional contact with the ball while it is being carried causing the ball to be fumbled will be called for stripping, a 5-yard penalty.
- An interception can be advanced by the intercepting team in an attempt to score.
- After an interception for a score, the scoring team gets to try an extra point on the field's standard end zone. After the extra point try, the original team who threw the interception then gets the ball at the 40 yard line with a new set of downs – remember, the team who was playing defense for the extra point try will be the new offense (this is just like standard football where normally a kick off would ensue after the scoring team's extra point.)

Ball Spotting

- Spotting the ball is at the game officials' judgment. It is up to the game officials to try and be near the spot whenever possible.
- Ball will be spotted where the ball is held when a player is downed.

A-Gap

- The A gap is the area between the center and the Tackles.
- Defenders on the line of scrimmage cannot line up directly over the center and may not immediately engage the center.
- The defense cannot blitz the A gap from the line of scrimmage.
- Linebackers and defensive backs can blitz the A gap as long as they are a minimum of three yards from the LOS on the snap.
- Defensive ends may NOT line up in the A-gap, they can align head-up on the attached lineman (not the center), and slant inside.
- There is a protected A gap zone: extending laterally from the Center to the Inside half of the Tackles and extending 4 yards directly in front of the center, no defensive player may align in this protected A gap zone.
- Attempts at a center sneak by the offense is penalized as an A gap violation. See A gap violation under penalties section.

Fumbled Snap

- No diving on the ball
- ONLY the QB can pick it up the muffed snap
- QB run limitations remain in effect
- If the play is blown dead in order to maintain safety - the ball will move back to the LOS with a loss of down.

Penalties

- Any penalty or yardage lost that would result in the ball being backed up past the 40, the ball will then be spotted at the 40 regardless with a loss of down.
- Any penalty that occurs when the ball is AT THE 40 yard line, the line to gain/first down marker will be moved up to reflect the additional yardage.
- If sacked or stopped behind the 40 yard line – the ball goes back to the 40 with a loss of down.
- Because of the shorter field – all enforceable penalties of 15 yards will be enforced as 10 yards for the purpose of the game. (exceptions listed later)
- The team not committing the foul gets to choose between the result of the play or the enforcement of the penalty.
- If both teams commit fouls on the same play, they offset and the down is replayed.
- An odd number of fouls with more being assessed on one team will still offset and result in replay of down
- A live-ball foul on the offense is marked off from the spot of the penalty.
- A live-ball foul on the defense is marked off from the spot of the penalty, the original line of scrimmage or the end of the play, whichever benefits the offense the most.
- No penalty may move the ball past the 40 yard line.
- A half cannot end on a penalty that is accepted. If the penalty is accepted, it is marked off and a single untimed down is played. If the penalty is declined, the half is over.
- A first down will be determined after the ball is spotted at the end of a play and any applicable penalty yardage is assessed. Net yardage (forward progress plus/minus penalty yardage) must be sufficient to be awarded a first down.
- NOTE: All flagrant fouls carry with them automatic first downs or loss of downs in addition to the penalty yardage.
- Any penalties not covered below are to follow NFHS rules.
- EOP – End of Play
- LOS – Line of Scrimmage
- POI – Point of Infraction

****Flagrant Fouls****

- A player committing a flagrant foul – including an unsportsmanlike conduct, intentional tackling or unnecessary roughness penalty with malice – will receive a warning from the head game official and ejected upon a second flagrant foul. If the first act is determined to be severe, the head game official has the option to eject the player without the warning.
- All flagrant fouls that do not result in an ejection will be accompanied by a substitution from the field for at least one play to allow the coaches to address the situation and calm down any tempers.
- It is recommended that the league track players who commit flagrant fouls on a per game basis. The head game official will mark down on paper the guilty player (by name, number and/or team) and will turn in the information to the league director, commissioner or appropriate staff member.
- The head game official's decision on flagrant fouls are final.
- The safety of all players is the primary concern of the league. Game officials shall call unnecessary roughness when any player uses excessive force or violence during a play – even if the play is technically within the rules.

***Intentional Tackling (Flagrant Foul)**

Defense – 15 yards.

- If deemed excessive or with intent to hurt an opposing player, referees may eject the offending player.
- Intentional tackling defined: Intentionally wrapping up to stop forward progress while taking the ball-carrier to the ground; shoulder checking/hit with the intent of knocking the ball-carrier to the ground. It is the game officials' discretion on any other attempt to use excessive force by a player to initiate a tackle.
- An automatic touchdown will be given to the team if a player is running and judged to be free with no defenders between him/her and the end zone and is deliberately tackled, tripped or restrained by clothing grab by a pursuing player or by an individual associated with the defensive team who comes onto the field.

***Unnecessary Roughness (Flagrant Foul)**

Offense: 10 yards, loss of down

Defense: 10 yards, automatic first down.

- The safety of all players is the primary concern. Game officials shall call unnecessary roughness when any player uses excessive force or violence during a play, even if the play is technically within the rules.
- All players are expected to play "in control" at all times. Players are in violation of the unnecessary roughness rule when they risk injury to themselves or to other players because of unsafe or out-of-control conduct on the field.

- Examples include but are not limited to: head butting, head slapping, throwing elbows or forearms and intentionally hitting, kicking, or tripping other players. It is the game officials' discretion on whether these fouls elevate to flagrant fouls. Repeated or flagrant violations may result in the player being ejected from the game.
- A player may never lead with his or her head or initiate contact to the head.
- Unnecessary and overly violent contact that includes charging, bull rushing, and purposefully shoving a player to the ground will be considered unnecessary roughness.
- "Hammer fist" and/or any overly physical contact in knocking down a blockers hands is subject to be interpreted as Unnecessary roughness. While a player can "swipe" and knock down a blockers hands – the referee can make a judgment call to uphold player safety.

***Charging (Offense) Unnecessary Roughness (Flagrant Foul)**

10 yards, loss of down

- When a ball-carrier intentionally runs into a defender, lowers his/her shoulder or makes unnecessary contact with defender in an attempt to cause bodily harm.
- When an offensive player intentionally runs through or over a defensive player with a running start.
- When an offensive player intentionally engages a block with his shoulder with no attempt to come to balance and initiate the block first with open hands.

***Bull Rushing (Defense) Unnecessary Roughness (Flagrant Foul)**

10 yards - automatic first down

- When a defender intentionally uses his/her momentum or excessive force to bull rush through the centerline of an offensive player. Defender must make the appropriate effort to go around or to a leveraged side of the blocker.

***Ejection**

Any two (2) flagrant foul infractions by an individual player in one game or multiple single infractions across several games may result in further action, including suspension from future games or ejection from the league, subject to the league's discretion.

- The ejection process will also apply to coaches and any parents/spectators on the field or in the stands who encourage players to act in an unsportsmanlike manner.
- Any player who strikes another player or is involved in a fight will be immediately ejected from the game and be suspended indefinitely pending a ruling from the league president.

- Before a player can be ejected from a game, all game officials must confer and unanimously agree. NOTE: Only the head coach or coach on the field may speak to the game officials. If a player or coach contests a call or says anything to a game official that the head game official feels is inappropriate, an unsportsmanlike conduct penalty will be called. The game officials are empowered to eject any coach if the foul is deemed excessive.
- If a coach is ejected, the individual cannot enter the field of play for the rest of the game. The individual may be required to leave the premises if he or she becomes disruptive.
- Depending on the situation, the on-field staff has full discretion to take up the chain of command and may request for the LD/commissioner/president or higher-level staff member to be involved.

Roughing the Passer

Defense – 10 yards

Defenders may raise arms while rushing the passer, so long as no contact is made with the passer – the only contact that is allowed would be an attempt to down the ball carrier (the QB) by a 2 hand touch below the neck but NOT to the QB's throwing arm. Excessive contact with passer before, during or after throwing the ball including but not limited to:

- Running into the QB
- Making contact with the passer's head and/or shoulders/throwing arm
- Pushing the passer to the ground

- The QB is allowed to run for a pass beyond the line of scrimmage after a pitch or hand off.
- Immediate QB sneaks in the A gap are not allowed.
- The QB cannot run beyond the line of scrimmage within the tackle box
 - In order for it to be a legal scramble beyond the LOS, the QB must move laterally and get outside the tackle box (even if forced up into the A gap by the DEs)
- During the course of a scramble, the QB cannot cross the 50 yard line – the play will be blown dead.

Unsportsmanlike Conduct

Offense / Defense - 10 yards

All players, head, and assistant coaches are expected to follow the codes of conduct. Unsportsmanlike conduct includes but is not limited to:

- Verbal abuse, profanity, taunting.
- Constant or repeated audible criticism of the game officials.
Game officials can eject any player, coach or spectator who violates this rule repeatedly or egregiously.

Defense / Offense – 10 yards.

- Any flagrant acts or remarks that deride, mock or bait an opponent are considered taunting.
- Celebration, whether communal or individual, is allowed as long as it does not fall under “Taunting” definition.

Illegal Blocking

Offense – 10 yards & loss of down

- Severity could result in an unnecessary roughness and/or a flagrant foul.
- Landing or piling on a defender/player on the ground, chip blocking, elbowing and knee blocking.
- Blocking by initiating or leading with elbows, forearms or shoulders - severity may result in a charging penalty or flagrant foul/unnecessary roughness.
- A crack back or any block on a defenseless defender falls under unnecessary roughness and can result in ejection if determined as intentional.

Delay of Game

5 yards

- In addition to the offense not snapping the ball within the 30 second play clock, this can include:
- Too many players on the field, not wearing required equipment during a play.
- Defense delays or hinders the offense from making the next snap.

Illegal Formation

Offense / Defense - 5 yards

- Fewer than five players on the line of scrimmage for offense. These five players must be contiguous with the center. There must be one player on each side of the center (within both players arm's length of the center) and one eligible receiver on each side of the center.
- Fewer than two players on the line of scrimmage for the defense.
- Showing blitz directly over the center or aligning any defensive player directly over the center on the LOS.
- Unbalanced LINES are not allowed – a Tackle must be on each side of the center.
- A Tight End can align next to a Tackle as long as there is no eligible receiver “covering” him up.
- Unbalanced receiver formations are allowed (3x2, 3x1).

Offside / False Start

Offense / Defense – 5 yards

- If a defensive player enters the neutral zone before an offensive player commits a false start, the penalty is on the defense, even if no contact is made.
- This rule encompasses encroachment, false start, neutral zone infraction and off sides.

Diving

Offense – 5 yards from the spot of foul

- Diving forward in an attempt to gain yardage or advance the ball.
- Diving into the end zone or for a first down.
- Note: A player is allowed to dive to catch the ball or down a ball carrier with a 2 hand touch, as long as the touch is not overly physical in nature.

A-Gap Violation

Defense or Offense – Live ball foul only. 5 yards from LOS, replay down

- Any non-defensive linemen who makes LOS penetration immediately in the A-gap.
- Any defensive player who lines up in the protected A gap zone: extending laterally from the Center to the Inside half of the Tackles and extending 4 yards directly in front of the center, no defensive player may align in this protected A gap zone.

- A blitz into the A-Gap is allowed if the non-defensive lineman blitzes from at least 4 yards depth.
- Any intentional illegal handoff to an ineligible receiver (offensive lineman).
- Any QB sneak in the A-gap from under center.
